

ATTESTATION

OEKO-TEX STANDARD 100

SILBIONE TCS 7560

This is to certify that:

- we do not introduce any substance listed in OEKO-TEX STANDARD 100 in the formulation or the process of the above mentioned product and do not have any reason to suspect their presence even at trace levels

- furthermore: the above mentioned product successfully passed analytical controls carried out by FRENCH INSTITUTE TEXTILE-HABILLEMENT (I.F.T.H - test report N° LYC-08-2748) showing its aptitude to satisfy the applicable requirements of the specifications of the STANDARD OEKO-TEX 100 / Class 1 , according to conditions recommended for application.

In witness whereof this certificate has been signed in Saint FONTS.
